# What fits you?

## **What does it mean to be a sponsor?**

Sponsors play an important role in the success of this channel. There are many areas that you can make a difference from providing funding to getting the message out so that all of the KHFD viewing area can benefit from hearing the Bible anywhere they find a TV.

KHFD recognizes that businesses, churches, and individuals may want to get involved in different ways so we offer a range of sponsorship options.

## **What are you sponsoring?**

The Bible 24/7 is a ministry opportunity to get the Word of God into homes across Dallas Fort Worth through television. In June of 2010, KHFD was able to launch its group of stations and gain access to over 5 million people across the DFW Metroplex. It is our desire to make the Bible available to all who will listen through our broadcast channel 51.3. We have taken the time and secured the rights to an Audio Bible that now plays 24/7 on this channel. As I am sure you are aware, TV is not cheap but we are people of faith and we believe God gave us this opportunity and we want you to share in the blessings.

Please partner with us by sponsoring time on the channel so we can continue this outreach for as long as God allows.

The concept is very simple. We are airing the Audio Bible 24 hours a day 7 days a week with no commercial interruption! We are asking that churches, businesses, and individuals partner with us to sponsor the airtime. To honor your sponsorships we are creating and broadcasting your visual slides along with the audio from the bible so that when viewers tune in they can also see your message.
